# **WE ARE THE LARGEST IMMIGRANT YOUTH-LED COMMUNITY IN THE COUNTRY.**

When you're undocumented, you face a lot of discrimination, and that creates a lot of fear. At United We Dream, we transform that fear into finding your voice. We empower people to develop their leadership, their organizing skills, and to develop our own campaigns to fight for justice and dignity for immigrants and all people. This is achieved through immigrant youth-led campaigns at the local, state, and federal level.

## Youth Activism Stations: United We Dream

### OUR MISSION

United We Dream is the largest immigrant youth-led community in the country. We create welcoming spaces for young people – regardless of immigration status – to support, engage, and empower them to make their voice heard and win!

We have an online reach of over 4 million and are made up of over 400,000 members as well as 5 statewide branches and over 100 local groups across 28 states. Over 60% of our members are womxn and 20% identify as LGBTQ. We are made up of fearless youth fighting to improve the lives of ourselves, our families and our communities. Our vision is a society which celebrates our diversity and we believe in leading a multi-ethnic, intersectional path to get there.

Whether we're organizing in the streets, building cutting edge technology systems, opening doors for LGBTQ immigrant youth, clearing pathways to education, stopping deportations or creating alliances across social movements, United We Dream puts undocumented immigrant youth in the driver's seat to strategize, innovate and win.

### OUR GUIDING PRINCIPLES

Our guiding principles are what we believe and how we operate as an organization. They were developed over 18 months and reflect the input of over 400 UWD members, including affiliate leaders, online members, a national leadership committee, staff, and our board. Together we created our "2020 Vision" and we seek to embody these guiding principles in all that we do:

 <p><b>PEOPLE MOST AFFECTED ARE AT THE FOREFRONT</b></p> 	 <p><b>BEING DEMOCRATIC AND ACCOUNTABLE</b></p> 	 <p><b>INVEST IN LEADERSHIP DEVELOPMENT, TRAINING, AND MENTORING</b></p> 	 <p><b>CREATE A LOVING COMMUNITY</b></p> 
 <p><b>EMPOWER THE WHOLE PERSON</b></p> 	 <p><b>COMMITTED TO NONVIOLENCE</b></p> 	 <p><b>WE ARE PART OF A GLOBAL COMMUNITY</b></p> 	 <p><b>OUR STORIES ARE POWER</b></p>

 The Biden-Harris administration is WRONG on this. We need to make it easier for people who make the difficult decision to migrate, not harder. End Title 42, stop the deportations, and free them all!

DACA is not enough. Our community needs permanent protections. Right now, Biden and Democrats in Congress can deliver for our communities by adding a pathway to citizenship to the American Jobs package.

ICE continues to detain Kevin month after month, despite the fact that he is not a priority for ICE enforcement under its most recent guidelines. While detained Kevin was beaten, pepper sprayed, and placed in solitary confinement for 30 days in retaliation for participating in a civil rights complaint that revealed abuse and medical neglect at Glades as the COVID-19 pandemic ensues.

Under the Biden-Harris administration, deportations continue to happen. Trump or Biden, the threat of the deportation force still stands. This administration must deliver on permanent protections for our immigrant communities. Biden, end deportations NOW! 🙌🙌

 unitedwedream  Today, immigrant youth in Houston were joined by partners and a mariachi band to send a loud and clear message: Senators John Cornyn and Ted Cruz need to vote YES on a pathway to citizenship, NOW! 

We drove from Cornyn's downtown office to Cruz's home in Houston to make sure they know - no more lies, no more propaganda, and no more hate in the lone star state!

Ma'Khia Bryant was 16 years old.

There will be justice the day we abolish policing and enforcement at all levels. Ma'Khias's tragic death in the wake of the Chauvin conviction is evidence that the system of policing is beyond reform. Abolition is the only answer.

Rest in power.

Daunte Wright, a 20-year-old Black man, died on Sunday after a police agent shot him during a traffic stop in Minneapolis. This weekend, hundreds of people took to the streets to demand justice.
